

Environmental Health Services, Office of Food Protection
321 S University Ave., 2nd floor
Philadelphia, PA 19104
(215) 685-7595

Application for Food Business
Outdoor Seating 50+

This application, along with a diagram of your outdoor seating area, is required for consideration to be approved for outdoor seating of more than 50 people. Your application and diagram will be reviewed. After review, and prior to approval, we will conduct an inspection of your establishment and outdoor set-up. At the time of inspection, your establishment is required to be in compliance.

Please Note: Walls at outdoor seating area are prohibited. Sitting at bars is prohibited.

Please email this application, along with supporting documents to Health.EHS@phila.gov

For additional questions regarding this application, please contact the main office at 215-685-7495.
