COUNCILMAN - 5TH DISTRICT

November 3, 2022

Linda Bradley  
Director of Parking Management  
701 Market Street  
Philadelphia, PA 19106

Dear Director Linda Bradley,

Fishtown Neighborhood Association (FNA), Fishtown and Kensington Business Improvement District, and stakeholders on Frankford Ave, Girard Ave and Front St. have requested for regulated parking. The below are the following streets that have been proposed for Philadelphia Parking Authority regulations. 951-1400 Frankford Ave, beginning at Allen St ending at Jefferson  
251 E Girard to 31 W. Girard, beginning at Marlborough ending at Front along Girard Ave.,  
1300-04 Frankford Ave., PPA lot  
1200 N. Front St. to 1350 N. Front St., beginning at W. Girard to Thompson St

The regulated parking has been requested to provide parking turnover and allow for reasonable time for visitors to utilize the commercial corridor and nearby businesses. The request is for 3HR parking (with residential exception) from 8am-10pm Monday through Saturday, parking free on Sundays. The respondents favored implementation of these guidelines without meters or kiosks.

The regulations of loading zones are as follows for Monday-Saturday 8am-12pm and 3pm-5pm, free to use on Sunday.

Requesting for an increase in violation fines prior to installation of signs.

If qualifications are met, I have no objections to the posting of PPA signs, on 6-month trial basis. If you have questions, please contact my staff at 215-686-3442.

Sincerely,

Council President Darrell L Clarke, 5<sup>th</sup> Council District
